

St. Francis Area Schools Community Education is using a new registration program called Eleyo beginning of the 2018-19 school year. We are beginning to process registrations for 2018-19 and you can help us be efficient with this changeover to the new program by setting up an Account Profile in Eleyo.

Currently Eleyo is also known as FeePay so you may see both logos.

This quick reference will walk you through the process for setting up your Account Profile. We encourage you to add all members of your household and add emergency contacts for your children in anticipation of future registrations within the Eleyo system as your family participates in St. Francis Area Schools Early Childhood Family Education, Kids Connection, Youth Rec, Youth Enrichment or Adult Enrichment.

Create your Account Profile

1. Browse to the website: <https://stfrancis.ce.eleyo.com>
2. Select *Sign In* (top, right corner). If your email address is recognized as a previously registered user, please use the *Forgot Password* link to receive an email to create a password.
