Nutritional Information Disclaimer

Nutritional information provided is for general information and not intended to be used as medical advice. The information is as accurate as can be provided on the date it was compiled from the manufacturer or distributor's data. Nutrition information will continue to be updated on an ongoing basis.

Please keep in mind that a number of things can change the accuracy of the information:

- A manufacturer may change the composition of any product at any time without notification
- Products may be substituted due to supply challenges by our vendors
- Students may consume larger or smaller portions than planned serving size
- Because we offer variety on the menu, some nutritional information is expressed as an average of the various choices

For the most complete information available, please contact the nutrition manager at your child's school to arrange a time to look at the product labels for the items that concern you.
